- [Pipl: The Most Comprehensive People Search on the Web](#) - I added this item in mid-2009 to this Filamentality site, so I don't have past (January 2009) Alexa ranking data, but Alexa, in December 2009, listed Pipl at the rank of 2,736 in the world and a rank of 1,358 in the U.S.--I expected its popularity to grow, and it did. As of January 2011, Pipl was ranked 1,051 in the U.S. and 1,651 in the world, but in January 2013, Pipl lost some ground and it is now ranked #1,830 in the U.S. and #4,284 in the world. One country ranks it higher, with Nigeria ranking it at #1,144 (<http://www.alex.com/siteinfo/pipl.com>).
